

Estate no. 31-1296708

IN THE MATTER OF THE BANKRUPTCY OF
AMISH FURNITURE OUTLET LIMITED
OF THE CITY OF PICKERING, PROVINCE OF ONTARIO

This is to advise that Amish Furniture Outlet Limited (the "Company") filed an Assignment in Bankruptcy on December 4, 2009 and SF Partners Inc. was appointed as Trustee of the estate. On December 8, 2009, a Court Order was obtained appointing SF Partners Inc. Interim Receiver and Receiver and Manager of the Company (the "Receiver"). Copies of both the Certificate of Appointment (Trustee) and the Court Order (Receiver) can be found on this Web site.

Pursuant to the Court Order, the Receiver is authorized to sell the assets of the Company and in this respect Danbury Sales ("Danbury") has been retained to liquidate the Company's inventory. The Receiver, with the assistance of Danbury, will consider completing customer orders, for which deposits have been received, where it is commercially reasonable to do so and beneficial for the creditors of this estate. The Receiver is currently assembling information regarding customer orders. Over the next several days, customers will be contacted in respect of the status of their orders.

Although it is the Receiver's intention to complete outstanding orders, it may not be practical and commercially reasonable in all cases. In the event that orders are not completed, the individual depositor will rank as an unsecured creditor in the bankrupt estate. Individual depositors may wish to contact their respective credit card company to discuss their potential rights.
