Dear Irving,

On behalf of the entire Canadian Centre for Diversity 'family', I want to thank you, your Partners and Staff for your wonderful and ongoing support for the Canadian Centre for Diversity.

Your Annual Charity Golf tournament is truly an event to be remembered. The warmth of your hospitality, superb organization and, of course, the outstanding weather that you manage to arrange every year (!) is quite remarkable.

In particular, we are thrilled with the contribution to the Canadian Centre for Diversity's 'Discover Diversity' program of \$70,000 in this, a year when donations are down and participation in tournaments and events such as this have been curtailed. It is a testament to the high regard in which you and the Firm are held and we are truly appreciative of the amazing efforts that were made on our behalf.

Please pass on our deepest thanks to Jason, Rita and the tournament organizing committee and volunteers for their passionate commitment and dedication to success.

I know that some of your Partners and Staff experienced the Discover Diversity program for themselves last year and I hope that more will join us in 2009/10. It is a truly transformative experience and we look forward to welcoming them on the program in the fall.

In the meantime, I wish everyone a wonderful summer and thank you again for your efforts on our behalf.

Sincerely,

Amanda L. Sherrington
President and CEO
